Class of 2024

68th Annual Commencement Ceremonies

CALIFORNIA STATE POLYTECHNIC UNIVERSITY, POMONA

CSU The California State University
WORKING FOR CALIFORNIA

Mildred García, Ed.D.
Chancellor

Office of the Chancellor

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Warmly,
Mildred García, Ed.D.
Chancellor

Office of the President

Dear Graduates,

Congratulations on this remarkable achievement! I hope this day gives you an opportunity to appreciate all the hard work and steadfast commitment that went into completing your degree or credential — and how it is helping make your dreams a reality. Your tremendous perseverance and resolute drive inspire us all and serve as a reminder that anything is possible when you believe in yourself.

Today, our entire community gathers to celebrate you and your accomplishments. To champion your stories and your journeys, and to acknowledge what your countless hours of studying and hands-on preparation have brought forth. You are well on your way to achieving your dreams of success.

As you celebrate today, know that the entire Cal Poly Pomona community is deeply proud of you, and our faculty and staff members will continue to provide support and cheer you on as you embark on your career paths.

Lastly, take time to thank your friends and loved ones who helped you reach this milestone and let them know how much you appreciate their love and support. Cherish the relationships you've built here at Cal Poly Pomona and look to empower those who are following in your footsteps. As our esteemed alumni, you are mentors and sources of inspiration for future Broncos.

And so, again: Congratulations, graduates. We cannot wait to see the extraordinary things you will achieve in the years to come.

Sincerely,

JULIAN A. MCPHEE AWARD

The Julian A. McPhee Award recognizes the "founding president" of Cal Poly Pomona. For more than 35 years, McPhee provided dedicated service and enlightened leadership to the people of California through his commitment to higher education. While President of Cal Poly at San Luis Obispo, McPhee established a southern branch of the college in 1938, on donated Voorhis School for Boys property in San Dimas. This branch ultimately attracted the attention of cereal magnate W.K. Kellogg. In 1949 Kellogg generously donated his famous Arabian Horse Ranch, leading to the eventual expansion of what we know today as Cal Poly Pomona. McPhee was the president of both campuses from 1938 until his retirement in 1965. He helped set the learn-by-doing educational foundation upon which the current institution continues to build.

The McPhee Award includes a certificate and medallion and is presented to one student from each college in recognition of their outstanding contributions.The Award is made possible by an anonymous donor who worked alongside McPhee during the rapid post-World War II growth of Cal Poly Pomona.

It is with great honor that I share this moment with you and your loved ones. On this momentous occasion, let us reflect on the words of civil rights activist Dr. Audre Lorde: "When I dare to be powerful, to use my strength in the service of my vision, then it becomes less and less important whether I am afraid." Take this in because the future of our communities depend on what you do with your degrees and credentials. Although it may seem like a huge weight, you're not alone. Remember your talents, gifts, passion, and actions are needed. Congratulations Class of 2024!

Warmly,
Jenelle S. Pitt-Parker Ph.D.

On behalf of the faculty and staff in the College of Engineering, I offer our sincere congratulations! We challenged you through a Learn by Doing education in our classrooms, laboratories, and beyond, and today we honor you for your achievements! Your diploma signals that you have a deep understanding of your discipline and can solve difficult problems. Take this moment to reflect on your journey and the people who helped you get here--faculty, staff, fellow students, friends, and family. We are proud to call you a Bronco and can't wait to see what you do in your profession and community!
Be well,

ACADEMIC DRESS

According to the American Council on Education, the origins of academic dress date back to the 12th century, when universities were taking form. It wasn't until the late 19th century that American institutions agreed on a standard form of dress. A code was adopted in 1895 and is followed today by most institutions in the United States.

GOWNS: The bachelor's gown has long, pointed sleeves while the master's gown has an oblong sleeve open at the wrists. The doctor's gown has an oblong sleeve and is adorned with velvet panels on the front and with cross bars on the sleeves. Gowns are always black, with a few exceptions for doctoral robes and for students receiving special honors, such as the green robes worn by those receiving the Julian A. McPhee Award.

HOODS: signify the subject and the institution awarding the degree. They are worn by those with an advanced degree. According to tradition, the length of the hood worn for the master's degree is three and one-half feet and for the doctor's degree, four feet. The hoods are lined with the official color or colors of the institution conferring the degree. The binding or edging of the hood is velvet or velveteen, and the color identifies the subject to which the degree pertains.

CAPS: In the United States, a black mortarboard is most commonly used, with the tassel on the right prior to awarding the bachelor's degree. The tassel is in a color representing the discipline in which the degree is awarded.
